CAREER OBJECTIVE:

Detail-oriented and resourceful professional with strong experience in customer service, insurance support, telco, and back-office operations. Seeking to leverage administrative, communication, and technical skills as a Virtual Assistant to help clients streamline operations, manage tasks, and deliver excellent support in a remote environment.

Professional Experience:

Virtual Assistant – Free Lancing

- Administrative support: managed emails, scheduled meetings, organized calendars, and handled data entry.
- Customer service: responded to inquiries, provided chat support, and assisted with basic troubleshooting.
- Social media management: created posts, monitored engagement, and replied to comments/messages.
- Research tasks: conducted online research for market trends, competitor analysis, and product sourcing.
- Document preparation: prepared reports, presentations, and spreadsheets.

Customer Service Representative – Telus International Nov 2022 – Feb 2023

- Handled customer inquiries via phone, email, and chat.
- Provided product/service information and processed transactions.
- Documented interactions in CRM systems with accuracy.

Insurance Service Representative – Afni Philippines Dec 2021 – Oct 2022

- Assisted clients with insurance policies, claims, and renewals.
- Processed applications and maintained accurate records.
- Provided quotes and explained premium calculations.

Customer Service Associate – ResultCx Aug 2021 – Dec 2021

- Managed customer inquiries and promoted services.
- Built loyalty through excellent service and issue resolution.
- Collaborated with logistics and marketing teams.

Customer Service Representative – Alorica Teleservice *Dec 2018 – Apr 2021*

- Supported telco clients with billing, subscriptions, and technical issues.
- Promoted telecom products and documented customer interactions.

Customer Service Representative – Ibex Global Solution *Oct 2018 – Dec 2018*

- Handled customer inquiries about mobile, internet, and cable services.
- Processed service requests including new subscriptions, upgrades, and cancellations.
- Assisted with billing and troubleshooting technical issues.

Key Skills:

- Administrative support (data entry, record keeping, reporting)
- Customer service (inquiries, complaints, loyalty building)
- Communication (phone, email, chat)
- Technical proficiency (CRM systems, MS Office, Google Workspace)
- Time management and multitasking
- Problem-solving and adaptability
